Dear Andrew,

**Re:-Temporary Classrooms at Hardenhuish School, Hardenhuish Lane, Chippenham, Wiltshire  
SN14 6RJ. For Hardenhuish School Governors,**

May I on behalf of the School Governors thank you most sincerely for the excellent Project that you have just completed for us. It was finished under extremely difficult circumstances and inclement weather and an impossible programme time, not only did you complete it on time, but the quality and finish was outstanding.

I would like for you to convey our thanks to all of your Sub-Contractors, Site Staff and Office Management who working as a Team enabled this Project to run smoothly. In particular, I think that your finishing Foreman Richard was a major contributing factor in completion of the Project.

I would highly recommend your Company for any Work in the Future.

Yours sincerely,

Ian Rea.
